

The background of the slide is a blurred photograph of a group of people in a meeting or training session. The people are seated around a table, and the image is out of focus, showing various colors of clothing and the general setting of a professional gathering.

Training Needs Assessment

A nordic pilot course:
The trainer as course developer –
in cooperation with clients

Course objectives

After the course participants:

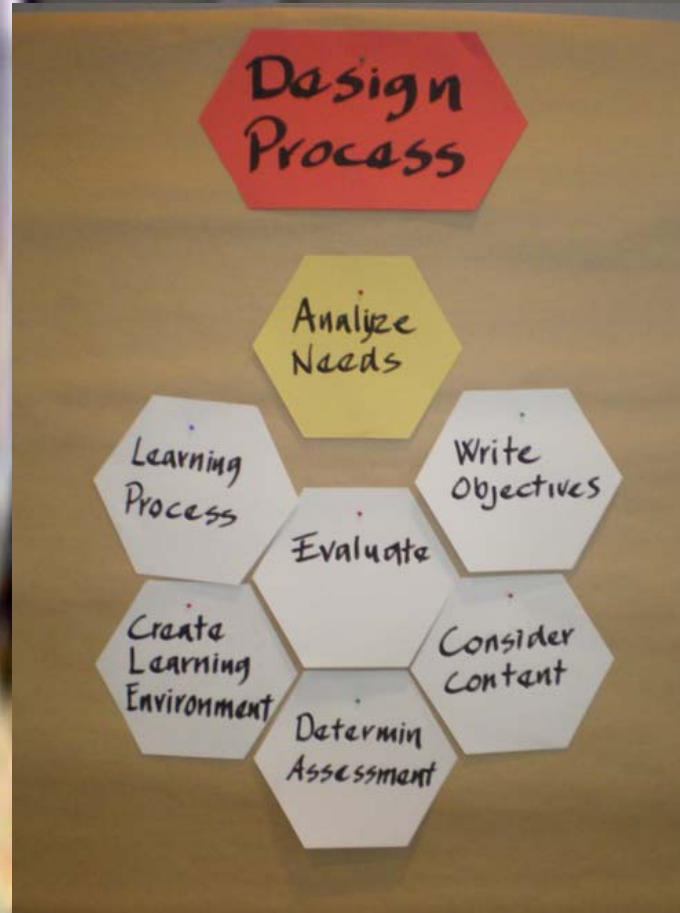

- ❑ Will be able to establish and maintain good and transparent communications with business partners about the first steps in the design of strategic plans for capacity building in companies
- ❑ Can use various tools for the assessment of training needs among specific groups of employees.
- ❑ Will be able to present a clear idea about their role as consultant and designer of training for adult learners.
- ❑ Can demonstrate competencies needed to act as part of a team for the design of learning programmes.

The course is relevant to you...

If in your work you are rerequired to:

- Act as a consultant in direct contact with companies/costumers.
- Develop tailor made courses – based on training needs assessments made in collaboration with company employees”
