

## SOCIAL MEDIA IN LEARNING/TEACHING

### Series of webinars 2011

**The NVL's Distance Network in cooperation with NordInfo Group, invites you to participate in a series of one hour webinars once a month throughout the spring**

The Webinars will be in the air on the 18th day of each month starting January 18th, and through May. These five webinars will all be focused around the theme; Social Media applied to learning/teaching. Distans invites experts to introduce how social media can be applied in learning and provide flexible approach to learning. No downloading needed; only a free add on.

#### What is a webinar?

It is a one hour seminar taking place in your computer. All you need is an internet connection and a headset with a microphone. You must register in advance. We will send the link to the Meeting Room the day before the webinar takes place to all registered participants. In the meeting room you can see and hear the lecturer, see the slides, see the list of participants and chat with the others. You are also able to raise a hand by clicking the "raise hand symbol" and posting your question on the chat.
